My Listening Situations

Active life, multiple listening environments

Social time spent at home and in other diverse environments (e.g. restaurants)

Social time spent in fairly quiet, less demanding situations (e.g. watching TV, playing cards)

My Priorities

Reaction to changing environments

Automatic (autoPro2: 2 customized listening programs) plus 3 manual programs

Partially automatic (automatic microphones) plus 3 manual programs

Manual

Premium innovation technologies

- ▶ Directional microphones (adaptive, fixed and omni/surround)
